PLANT AT ATLANTA.

Atlanta, Ga., Oct. 29.—Three train-loads of the employes of the Plant railroad and steamship system, and of the Southern Express company, came here to celebrate the 76th birthday of President H. B. Plant. Mr. Plant's railways cover the states of the South Atlantic coast, his steamship lines extend from Nova Scotia to Havana and Jamaica, and his express cover all the territory from the Potomac to the Rio Grande. He has been a conspicuous figure in transportation circles in the South ever since the war. His employes were given a holiday to come to the exposition, and it was in the auditorium on the exposition grounds that the anniversary was celebrated. Many of the general officers of the Plant properties came and every department was represented down to the track hands.

STILL KILLING.

Constantinople, Oct. 29.—Private advices from Armenian sources report the occurrence of a terrible massacre near Baiburt, on the road between Erzeroum and Trebizonde. These reports allege that five hundred Mussulman Laizes, armed with Martini-Henry rifles, supported by Turkish inhabitants made an unprovoked attack upon Armenian inhabitants of several villages, and further alleged that a number of young men and women were burned alive at stakes and that many women were outraged and horribly mutilated.

SPAINIARDS INSULTED.

Key West, Fla., Oct. 29.—The recent celebration in the United States of the anniversary of the first revolution in Cuba has caused great indignation among the Spaniards. They hold that the celebration was a gross insult to Spain, and that the United States should be forced to apologize. The Spanish organ of Havana, La Union Constitucional, is especially bitter in its comments, and these comments are significant inasmuch as they are inspired by the Spanish government.

MOVED.

George D. Courtney the well known groceryman, has closed his store near the market and will open another somewhere on Magnolia near the F. C. & P. depot.

MURDERER RETURNS.

Opelika, Ala., Oct. 29.—Mr. Tom Hunt, of Salem, in this county, killed Mr. John Harvey, of the same place 15 years ago, in a difficulty brought on by an argument over some stock. Hunt disappeared and he has not been seen or heard of for 15 years. Thursday he returned and gave himself up to the sheriff, but the indictment against him is lost and all the eye-witnesses to the killing are dead and nothing will be done with the case.

TO WATCH.

Washington, D. C., Oct. 29.—The Madrid morning paper, El Imparcial, has sent a correspondent to Washington to report affairs of Spanish interest occurring here during the Cuban insurrection. The representative, Ramon Gasset, is about 28 years of age and a son of the proprietor of the Journal. He is hampered by the fact that he understands no English, but expect to overcome that difficulty, in part, before congress meets.

NOT YET ARRESTED.

Sylvania, Ga., Oct. 29.—There is no change in the situation growing out of the assassination of Sheriff Brooker by the Zeigler boys. The Zeigler boys are at their home. The sheriff has attempted to get a posse to arrest them, but has thus far not succeeded.

Raleigh, N. C., Oct. 29.—John M. Benson, defaulting treasurer of Bladenco, was placed yesterday in the penitentiary to serve three years. The crime was committed three years ago, the amount embezzled being \$6,000.

BIGGEST SHOW ON EARTH.

Sells Brothers Great Three Ring Circus and Menagerie.

"The times change and we have changed with them," said the Roman philosopher. It may also be said that these changes are not always for the better, but often bring retrogression and decay; and this is particularly true of the circus of today. In fact, since the great ring-master Death, gave Adam Forepaugh and P. T. Barnum their final cues, it may be remarked that but one truly and great circus remains, that of the Sells Brothers, which will exhibit at Ocala, Nov. 15.

MERCHANTS' EXCURSION.

Now while the bank is paying off a portion of the depositors money, why can't our merchants get up a merchants' excursion to Ocala over all roads and gather the scattered depositors in, so that they may receive their money, purchase a nice bill of goods and leave a good portion of the outside deposits in our city. This is a suggestion, let some one take the matter up.

FOLLOW ORDERS.

"Confound it!" exclaimed Jackson. "What a stupid fellow that jeweler is."

"How so?" Inquired his friend. "Why, I told him the other day that I wanted engraved on the engagement ring the letters 'from A. to Z.'—'from Arthur to Zenobia,' you know—and the idiot went to work and put in the whole alphabet."—London Telegram.

ANOTHER MINE OPEN.

The tramway from York mines, nine miles southwest of Ocala to Ocala, connecting with the F. C. & P., near this place is now finished and some rock is being shipped. This is a good mine and we are glad to see that some returns are to be realized from the rock that has been mined so long.
